

Birthday disco bristol south west and wales

Birthdays are a time to celebrate be it for an 8 year old or eighty years young.

At the RockBox we can adapt our show to cater for any birthday to create the perfect party atmosphere.

It is with this in mind that we carry all types of music from the most recent chart to classical music.

Party games for the children's parties.

Time to chat at the beginning for when you haven't seen Friend's for many years.

All discussed with you prior to the event so that you get exactly what you want on the day.
