Being ex forces myself I understand a lot of the formalities involved with the formal functions held at military events in the United Kingdom.

I have had the pleasure of working for many regiments including

Royal Ghurkha Rifles

Grenadier Guards

40 Royal marine Commando

Royal Signals

Royal Logistics Corps

AFV Gunnery School

Providing predominantly just the evening's entertainment in the form of a disco but more and more we find that we are organising all the entertainment for the evening or day to make sure that everything runs smoothly and with Military precision.

We provided an evening's entertainment for 40 royal commando in Norton Manor in 2012 for their Sgt's mess summer ball

After an event for the Grenadier Guards Sgt's Mess in Aldershot in 2013 we were asked to provide everything for the summer ball in July of 2014 and arranged 2 bands the sound and lighting we helped with decoration of the marquee and staged the whole event.

A comment from a few guests where the BEST one in 13 years

We have been re booked to provide Christmas decoration a band and our services for the December function

Also for the Officers Mess in Wellington Barracks Next to Buckingham palace we provided the disco and decorative lighting around the outside of the building and lit the band.
